

**Now [Newsbleep.com](http://Newsbleep.com)!**

That's right! We've recently acquired [Newsbleep.com](http://Newsbleep.com), making it even easier to find your favorite online TV show.

If you are currently subscribed to the Newsbleep feed, then the old site will be taken down on April 1st. However, you may not need to re-subscribe. Just watch and see what happens! We're pretty much playing this by ear!

Remember to visit Newsbleep at [Newsbleep.com](http://Newsbleep.com), [the Newsbleep TV Facebook group](#), [Newsbleep on Digg.com](#), and [the Newsbleep TV MySpace page](#).
